SNEHA KARMA FOUNDATION

Program One-Pager

For ambassadors, hosts and event partners

Sneha Karma Foundation works in India so that a girl's future is decided by her ambition, not her poverty or gender. Support-A-Girl, Skills Development and Social Enterprise form one continuum, from classroom to livelihood. More than 600 girls and women have been supported.

What a gift funds

Gift	What it does
$50	One-fifth of an annual sponsorship: roughly a term of school materials, uniform and exam fees.
$250	A full year of Support-A-Girl for one girl: tuition, books, uniform, safe accommodation, healthcare and mentoring.
$1,250	Five years of sponsorship, carrying a girl from school into higher education or a trade.

These are shares of a real program cost, not fixed price tags — need varies by village.

Where the money goes

Operating costs are funded by a founding member, so 100% of every donation after payment-processing fees goes to programs. Every gift is receipted. Donations are tax-deductible in the USA (EIN 47-3774368). For Indian 80G and FCRA status, contact us before giving if a deduction matters.

How to help

- Start a fundraiser at snehakarma.org/fundraiser/
- Become an ambassador: snehakarma.org/get-involved/be-our-ambassador/
- Read the playbook: snehakarma.org/get-involved/be-our-ambassador/playbook/
